

December Minutes

- Santa Secret Shop was a huge success. Shannon Green did an excellent job organizing and coordinating the shop. She reported that we had a great turnout from parent volunteers and the high school students that came were a huge help. Thank you cards will be sent as well as an article in the Manito Review. Shannon also reported that the teachers were very flexible and understanding when schedules had to be adjusted for various reasons. Suggestions were made for next year
- A treasurer's report was submitted by Angela Hilst
- The fluoride program is going well. Approximately 500 students take advantage of this program. Shere and Shannon have been distributing it on Tuesday mornings. It takes about an hour and a half for two people. Supplies are okay at this point but we may need more cups before the end of the year. Next year's supply needs to be ordered in May, consider other flavors.
- Santa Treat bags will be stuffed this weekend at Tonya's home and distributed on December 18.
- Donation for Mr. Charlton's Memorial Fund - \$100 agreed by all
- Market Day – Next date 1/11 consider volunteering 4 PM at the primary school
- Check out our webpage created by Dan Tharp – www.mwcpto.com
- The box top contest will be over on December 18. Angela will check with the winning teacher after break and let the class choose their party. The next contest will run until March 21
- Spring carnival – March 20, 2010 – Committees were discussed (Games, redemption area, bid boards, volunteers, classroom baskets, kitchen, publicity). Donation letters will go out after the first of the year. Thanks to all who volunteered to work on a committee. We are still in need of someone to organize the redemption area.
- Discussion was held in regards to the question of rubber mulch needed under some of the playground equipment. Ms. Stone got an estimate from the company used in the past. At this time we are unable to pay the amount needed but we will continue this discussion later in the year and possibly talk with the administration about other mulch options for the time being.
- Babysitting was discussed and agreed that we would pay \$25 each month for this service as an option for parents who bring their children to the meetings. Ryan Corr will be contacted for interest.

Next meeting is scheduled for January 13, 2010
